File Folders
File Guides

Design and quality of 3D Folders and Guides make them the most efficient for any filing system. View the folder from the front, top or either side . . . indexing can always be seen. Constructed of strong 25 pt. pressboard. One inch expansion and contraction. Bottom gusset of heavy cloth. Triangular tab is constructed of durable clear plastic and furnished with plain white inserts ready for typing.

Pressboard Folders are recommended where the material to be filed is both bulky and very active. They will withstand hard usage for a long period of time.

Manila Folders for lighter filing where the heavier construction of pressboard is not needed. Manila folders are scored for ¾" manual expansion.

Multi-purpose Drawer Insert

The Kwik-Filer Insert eliminates the messy drawer, shelf or credenza by making them into effective filing spaces. Straight filing, cross filing, or two directional filing is accomplished by cross slotting of the base. No installation, just drop the insert into the drawer . . . you're ready to go. Saves time by making drawers easy to file and organize. Constructed of heavy 16 gauge furniture steel with baked-on, neutral finish. Hardened supports give you "V" action filing for fast finding, removal and replacement of records. Unit furnished with one main vertical divider and 6 standard 9" flexible supports. Insert base can be easily cut shorter to fit odd-size drawers. Sliding metal adjustment in bottom of insert takes up any slack in the drawer.

UNIVERSAL AND DESK TOP CONSOLE ACCESSORIES

DESK TOP CONSOLES

(Style One)

Desk Top Console furnishes the ultimate in desk organization while adding a sparkle to the office. The inside dividers and shelves are flexible enough to put any combination of material at arms' length and in a system to fit all needs. Vertical dividers move on 1″ increments along the complete length of the base. Shelves move up and down on ½″ centers. Finished with a baked-on silicone enamel to resist mars and scratches. Bottom shelf is recessed for more desk top space. A beautiful two tone is created by using a combination of textured high pressure plastic and 16 gauge furniture steel. Unit is furnished with the following shelves and dividers: five-9″, one-12″, three-4″, and one-12″ slotted shelf; two-4″, three-2″, and five-12½″ vertical dividers. See page 14 to order extra shelves or dividers.
